

We are proud to announce

QUANTUM COMPUTER SYSTEMS, INC.

IS NOW A

MICROSOFT GOLD CERTIFIED PARTNER

We have become a **Microsoft Gold Certified Partner**

Gold Certified Partnership represents the highest level of competence and expertise with Microsoft technologies and the closest working relationship with Microsoft. We have achieved this partnership level by virtue of our superior software products, our highly trained network engineers and our excellent level of service and support. We are proud of our accomplishments and are dedicated to continuing to provide our clients with the very best products and support.
